**FROM:** The Race Director

Thanks to all who ran. I hope it was a great experience for you. The masses turned out and made this year's race the biggest yet. Over 2,500 finishers, what a crowd! Sorry for any problem you might have had at the finish chutes, but it's difficult to handle so many people running so fast at that distance. I will work on it during the next year.

I want to thank all the workers for giving of their time to make it a successful event for the runners. Races like the Summer Beaches Run are dependent on the race workers and it does take a lot of them to make it happen.

T-shirts are available at 1st Place Sports (731-3676) if you have not gotten yours yet. Don't wait too long to pick it up. October 30th is the last day.

Special thanks to Gulf Life Insurance Company. They support running, so if you can give them your support please do so.

Problems? If you have any let me know. I will do my best to solve them and make next year's race better.

Keep up the good running,

**Doug Alred**
